Special Features

- ▶ Packaging is manufactured from high-density polyethylene that meets most food, drug and regulatory requirements.
- ▶ Containers are UN-rated for solids only.
- ▶ Pails and drums are offered in custom colors with minimum orders.
- ▶ Offset printing is available up to six colors.
- ▶ Containers are certified as senior-friendly and child-resistant and most are tamper-evident.
- ▶ In-molded grips available for drums and in-molded plastic handles available for pails.
- ▶ Rugged containers provide superior stackability and are tapered for nesting.
- ▶ Lightweight covers can be opened without the use of tools and relocked repeatedly.
- ▶ Screw top injection pails and drums are recyclable.
