

70L Ship 'n Shore Tote Box & Cover

Easy Handling on Land or Sea

Built to Last

The 70L Ship 'N Shore Tote is ideal for transporting goods from ship to shore. It's rugged design withstands harsh environments while keeping contents clean and protecting against contamination.

Easy On, Easy Off with the All New, Snap-On Cover

The optional, all new snap-on cover locks into place, providing the ultimate protection for tote contents. The cover features corrugation to prevent cover warpage and promote water drainage.

Space Efficient - Stackable & Nestable

When empty, the Ship 'n Shore Tote is nestable for convenient storage. When filled, the new cover features a recessed surface to provide secure and stable stacking.

Molded-In, Full-Grip Handles

Molded-in, full-grip handles makes lifting easy for one or two people.
