1.5

The applicability of general conditions used or referred to by Buyer is explicitly rejected.

1.6

In the event a specific agreement between Mauser and Buyer is concluded to which these general conditions apply, the provisions of such specific agreement shall prevail in case of a conflict between the provisions of such specific agreement and the provisions of these general conditions. 2.3

If Mauser does not confirm an order placed by Buyer by electronic means within a reasonable period of time after receipt of such order, such non-confirmation shall not be considered a rejection and Buyer may not rescind the agreement on that basis.

3. AGREEMENT

3.1

An agreement between Mauser and Buyer is concluded, when Mauser accepts Buyer's order in writing, or when Mauser commences the execution of the order placed by Buyer. The order confirmation is deemed to correctly and – if no additional arrangements are made- completely reflect the agreement.

agreement or cancel an order or to claim damages, except in case of willful intent or gross negligence of Mauser or its directors.

5.4

Mauser is entitled to postpone deliveries until Buyer has fulfilled all its outstanding payment obligations towards Mauser.

5.5

5.7

Minor deviations with respect to the agreed quantities, weight, measures, colour, quality, thickness and/or composition not affecting the agreed performance specifications are deemed accepted by Buyer.

6.2

If Mauser provides for transport of the Products and Buyer fails to comply with its obligation under clause 6.1, Buyer is in default without any further notice of default being required. In that case, or if Buyer omits to provide the necessary information for delivery, Mauser is entitled to pass on the additional costs (e.g. storage, transport, insurance) to Buyer. Mauser will store or procure storage of the Products concerned on Buyer's risk and account. If Buyer does not collect the Products concerned within the stipulated term, Mauser is entitled to terminate the agreement in whole or in part and to dispose of the Products concerned in any manner it deems fit, without any compensation whatsoever being due by Mauser or, at Mauser's option, to destroy the Products for Buyer's account.

7.1

Payment by Buyer shall be made within 30 days after the date of invoice, unless agreed otherwise, in the currency stipulated on the invoice.

7.2

If payment is not received by the due date, Buyer is immediately in default, without any further notice being required. Mauser shall be entitled to charge statutory interest in business transactions, whereby part of a month is calculated as an entire month. Without prejudice to any other rights or remedies Mauser may have, Mauser is in that case entitled to immediately claim payment of all

outstanding invoices, regardless of whether these are already due, and to postpone performance of its obligations under the agreement and/or to terminate the agreement in whole or in part.

7.3

All costs relating to the collection of debts as well as all judicial and extra-judicial costs are for Buyer's account, with a minimum of 15% of the principal amount.

7.4

All costs in this respect are for Buyer's account. If Buyer fails to comply with Mauser's request, Mauser is entitled to postpone fulfilment of its obligations.

7.5

Buyer is not entitled to set off its obligations against any claim it may have against Mauser, whether or not due and payable nor to suspend payment or make a deduction.

Payments made by Buyer shall be deemed to have been made first to settle judicial and extra judicial costs as stipulated in clause 7.3, accrued interest as stipulated in clause 7.2, thereafter they shall be charged to the oldest debt, irrespective of indications made by Buyer.

7.7 Mauser may at any time set off its obligations towards Buyer, in whatever currency and whether or not due and payable, against any claims which it may have against Buyer, in whatever currency and whether or not due and payable.

defects must be notified on the delivery notice, failing which Buyer loses its right to claim under this warranty.

8.5

Buyer must inform Mauser of any claims regarding quantities and measures in writing within 48 hours after delivery, failing which the information on the delivery order, freight documents, invoice etc. are deemed to be correct. Claims regarding visible defects must be notified to Mauser in writing within 8 days after delivery. Claims regarding defects that are not visible, must be notified to Mauser in writing within 8 days after delivery of the Products or after such moment that the defect or deviation could reasonably have been detected, but in any case within 30 days after delivery

8.7

Buyer is not relieved from its payment obligations upon filing a warranty claim. Defects in part of the delivered Products do not entitle Buyer to refuse acceptance of the entire delivery. If a warranty claim is made regarding the number of Products delivered in deviation of Buyer's order, the actual number of Products delivered shall be invoiced.

8.8

Return of Products delivered under this clause 8 is only permitted after Mauser has given its prior written consent and under the conditions as prescribed by Mauser.

9.3

Until Buyer has fulfilled its payment obligations in full, Buyer is neither entitled to pledge nor to otherwise encumber the Products for security reasons or otherwise. Buyer may only dispose of the Products in the normal course of its business.
